

BOLD DANCE

Collective

The Next Adventure

Our goal is simple yet profound: to create a space where our dancers can reach their full potential while staying rooted in the spirit of togetherness.

The Bold Collective

About

Bold Dance by Peach is excited to begin our next competition season with you! We are creating a dance program designed for those who are motivated to bring their dancing to a higher level. We are striving to grow our dancers by improving technique and experiencing performing with adjudication in front of a panel of experts. Being a member of the Bold Dance Collective is making a great investment into your dance education and experience, as well as the joy of being part of a team. We look forward to an amazing year with all of you!

Goal

To teach confidence, resilience, and work ethic. The competitive experience is about team building and creating memories together.

Community At The Core

Community is at the heart of everything we do at Bold Dance, and the Bold Dance Collective is no exception. While we're raising the bar for dance excellence, we're also strengthening the bonds within our dance family. The Collective fosters camaraderie, teamwork, and support, making sure that no one dances alone on this journey. This group will grow their knowledge, skill and ability levels while becoming ambassadors of Bold Dance and all that Bold Dance stands for; community, unity, and love for everyone in our Bold Dance Family!
